

Charter Academy

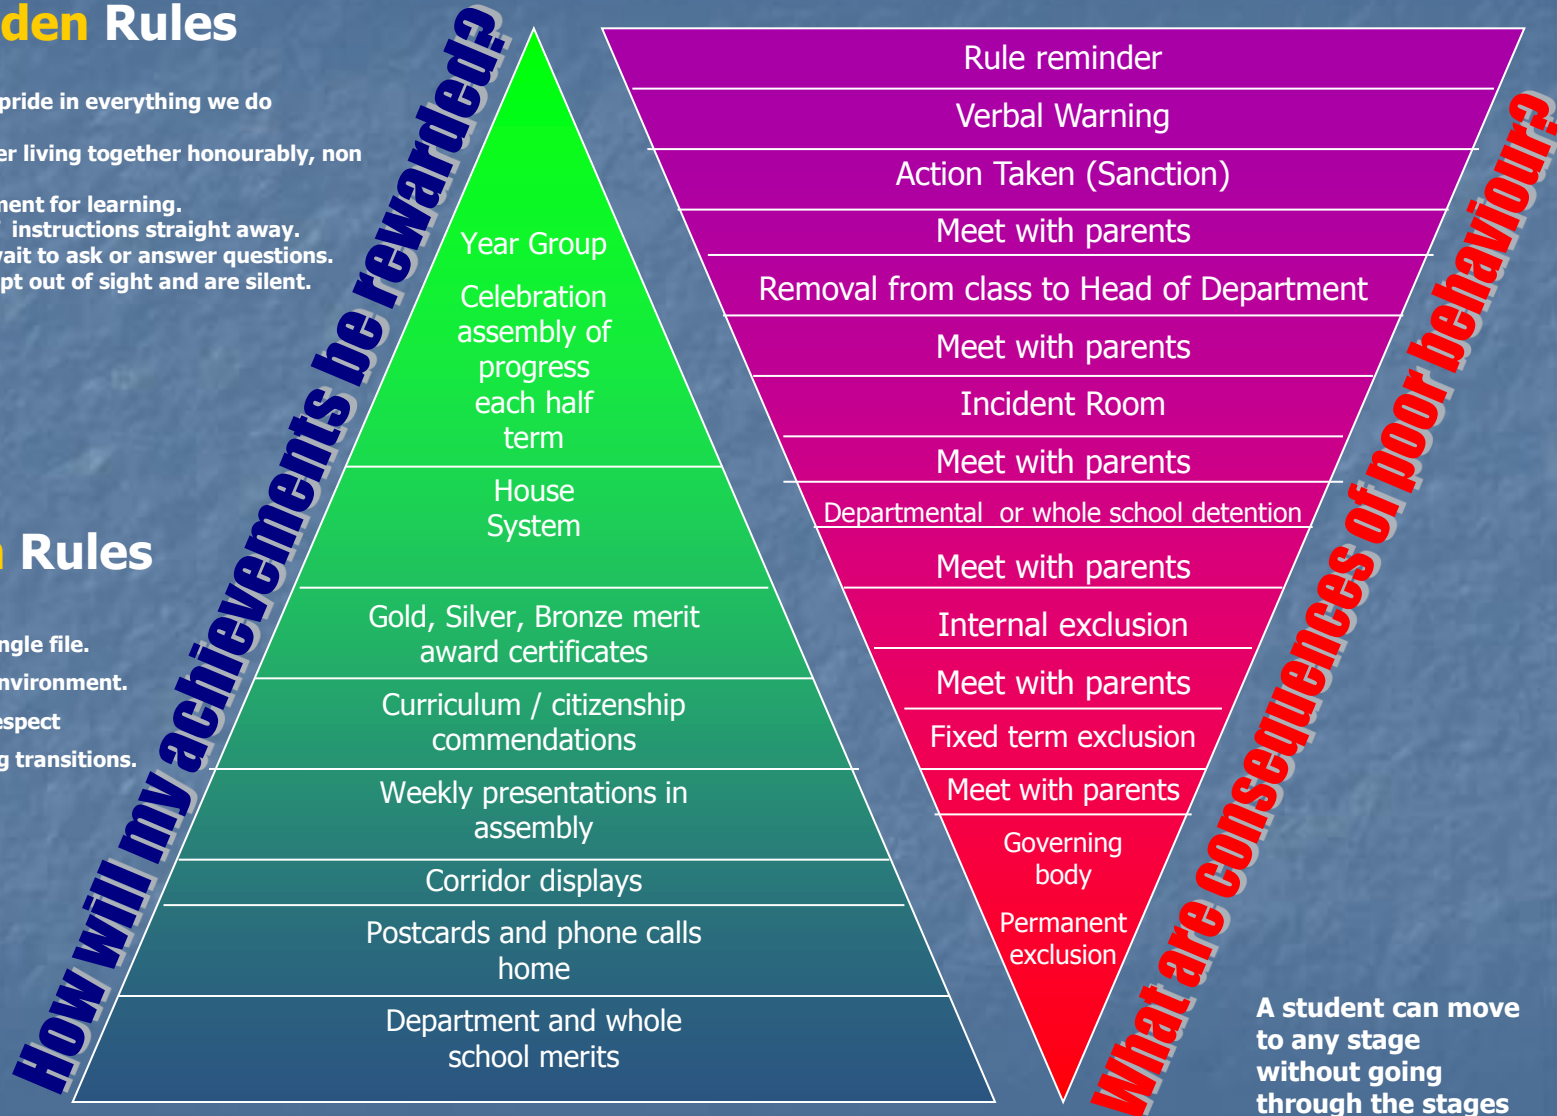

Together we will:

Six Golden Rules

1. We try our best and take pride in everything we do and in how we do it.
2. We are nice to one another living together honourably, non violently and honestly.
3. We bring the right equipment for learning.
4. We listen and follow staff instructions straight away.
5. We raise our hands and wait to ask or answer questions.
6. Our mobile phones are kept out of sight and are silent.

Safety Golden Rules

1. We walk on the left.
2. We line up sensibly in single file.
3. We respect the school environment.
4. We move with a quiet respect around the school during transitions.

A student can move to any stage without going through the stages sequentially if the behaviour warrants it.
