

Ark Charter Academy

Tuesday 3rd November

Dear Parents and Carers,

Due to the impact of staff absence on year 8 lessons we have made the decision to move to remote learning for this year group for the remainder of this week. This was not an easy decision to make and we appreciate that it may cause some inconvenience to families at short notice.

All pupils are being sent home with remote learning packs for English, science, history, geography, RE and languages. Maths work will be set via Hegarty Maths, There is an expectation that this work will be completed and returned to school with pupils on Monday 9th November.

Please note that if you are a key worker school remains open for your child. Please confirm via email reception@charteracademy.org.uk if you would like a school place for the remainder of this week.

If your child is usually in receipt of a free school meal please note that they will be able to collect a grab and go lunch tomorrow at our Hyde Park Road entrance at 12.50p.m. each day. Again please notify the reception on the above email address if you would like to access this service.

If you have any queries or concerns regarding the above please email myself directly on f.chapman@charteracademy.org.uk

Kindest regards,

Fiona Chapman
Executive Principal

Emily Morey
Principal
