

Ark Charter Academy

Monday 25th January 2021

Dear parents/carers,

I am writing to inform you that Mrs. Morey has made the difficult decision to step down from the Principal role at Ark Charter for personal reasons. The role of Principal can be all-consuming and balancing her commitment to the school with the significant needs of her family during the Covid pandemic has been challenging. However, I am delighted to say that she will be remaining at the school in the role of Vice Principal.

In the immediate future, I will continue to lead the school in my position as Executive Principal along with the Senior Leadership Team. A decision will be taken on a permanent appointment to the role of Principal in due course.

I appreciate that this change may lead to some anxieties but wish to reassure you that there is plenty of support, experience and talent from both within and outside Ark Charter Academy to ensure its continued success going forwards.

As ever if you would like to contact me directly re any concerns you can do so via email f.chapman@charteracademy.org.uk or if you'd prefer to book a meeting via MST/Zoom please contact Sam White, s.white@charteracademy.org.uk and she will schedule an appointment for you.

In the meantime, stay safe and continue to follow the government guidance. Although we are currently facing some of the hardest challenges of the pandemic yet there is light at the end of the tunnel. Infection rates continue to fall, the vaccines are rolling out and our community has continued to strengthen throughout.

Yours faithfully,

Mrs F Chapman
Executive Principal
