

Assembly Rota 2019/20

Allocations:

All assemblies must have a prayer and/or reflection in it. There must be links to the Christian values of the school. For example, during International Women's Day you could refer to the difficulty some women have faced and how they need courage. If you can't deliver your collective worship please inform your tutor team so you can swap weeks.

You should also be mindful of differentiating your assembly so that it is appropriate for each year group. All assemblies will be in Hornpipe unless otherwise stated.

The tutor time Collective Worships will be planned by departments. These need to be sent to EB 1 week in advanced for quality assurance. Tutors can find these presentations in the tutor folder. There must be a daily act of worship. This needs to be a prayer although students may not want to pray they must show respect.

1. There are a few websites you can use to help planning:

3. Obviously, Y11 won't have Collective Worship all the way up to July but as it is not yet clear when they are leaving or when they are in exams, we have scheduled Collective Worships anyway.
