RE: Year 11 interventions

Dear parent/carer,

Ordinarily, year 11 would be invited to intervention sessions that occur at the end of the school day. Due to a variety of restrictions this has not been possible. We are now in the process of setting up interventions that would commence at the start of the school day (during period 1) starting WB 11th January 2021.

Should your child be invited to attend an intervention session (Monday - Friday) a text message will be sent home the evening before indicating that they will be invited via teams to an intervention session with their class teacher.

These sessions are **not** optional and failure to attend **will** incur sanctions.

Intervention sessions are powerful opportunities for students to have targeted, smaller group setting lessons, which aim to address specific student issues and therefore set students up for greater chance of success in examinations.

As an academy, we would like to thank you for your support in delivering these sessions.

Kind regards

Assistant Principal
(Zack Morgan)
