

Intervention

At Charter Academy we run academic support for students in every year group either at lunch times or after school. Across all year groups this time provides the student with additional intervention from teachers as well as providing an opportunity for support and guidance from the Heads of Year.

Across Years 7 to 11 rooms are set aside at the end of the day for Catch Up which runs from 3.30pm to 5.00pm across two separate sessions. During this time students can spend time with their Head of Year and reflect on their day and/or have space and time to complete homework. The timetable for these Catch Up sessions is shown below.

Timetable for Catch Up

	Monday	Tuesday	Wednesday	Thursday	Friday
Session 1	4.15pm-5pm	3.30pm-4.15pm	3.30pm-4.15pm		3.30pm-4.15pm
Session 2		4.15pm-5pm	4.15pm-5pm		4.15pm-5pm

For students in Year 11 a programme of targeted intervention occurs each week to provide additional academic support. This intervention is provided in all subjects and teachers work with students focusing on individual gaps in knowledge and skills, using reteach and revision strategies to close these gaps and prepare the student for GCSE examinations. These Year 11 interventions run at both lunch time and after school. The timetable for the interventions is shown below.

Further intervention is provided through the revision materials that are given to all year 11 students. In addition students are shown how to write a revision timetable so that they schedule periods of revising using the principles of spaced practice and interleaving.

Each subject provides students with revision materials which are a combination of revision guides and online learning sites such as Hegarty Maths, Tassomai and Seneca Learning.

Pupils in Year 11 are expected to spend extra time at the academy out of normal school hours to fully prepare for upcoming examinations. Parents can support this by reinforcing the importance of attendance at these days and workshops, as well as supporting their child to make full use of their revision timetables.

Year 11 intervention timetable

Year 11 Subject Intervention Timetable					
	Monday	Tuesday	Wednesday	Thursday	Friday
English		Morning interventions 8.50am - 9.15am			
Maths			3.30pm- 4.30pm
