

Ark Charter Academy

22nd April 2021

Dear parents/carers,

RE: Academic review day – 28th April

We have taken the decision to cancel the KS3 academic review day (ARD) which was scheduled for 28th April.

With greater clarity on the GCSE awarding process this academic year we have needed to divert available time to the standardization and moderation of assessments.

KS3 students will still have parents' evenings which are scheduled in the summer 2 term.

Thank you for your understanding and ongoing support.

Mr. Z Morgan

Assistant Principal
