

My top 5 barriers to good time management are

- 1
- 2
- 3
- 4
- 5

The subject (at the moment) I have the most work for is.....

The subject I am most concerned about is.....

The study periods I have are.....

The time of day I am most productive is.....

I think the best **PLACE** for me to work is....

What am I going to do THIS week to make one change to improve my organisation and time management?
