

Keep Doing Good Communications in Schools to Pupils and Parents

To Year 11 Pupils.

Subject: 'Keep Doing Good' this summer!

Hi Year 11 Pupils,

We know a number of you were looking forward to a summer on NCS, however there is still an opportunity for you to get involved and make a difference in Portsmouth.

NCS and Pompey in the Community have re-designed their NCS programme and are offering 'Keep Doing Good', a fantastic opportunity for you to get some volunteering experience whilst also making a positive impact in our community.

You will learn new skills, meet new people and plan and delivery a social action project that you are passionate about. It will be over a course of 2 weeks and will be Monday – Thursday.

This is open to all of you, regardless if you originally signed up to NCS this summer or not. If there are a group of you who want to sign up, Pompey in the Community can also make sure that you are in a team together too, you just have to let them know.

Thousands have already signed up to 'Keep Doing Good'. To find out how you can pledge your time this summer and to book your place, head to <https://wearencs.com/keep-doing-good>.

We'd really encourage you getting involved. If you have any questions, please get in touch with the Pompey NCS team through the details below:
