Why should I use Show My Homework (SMHW)?

Show My Homework allows you to keep up to date with your child's homework. It also allows the school to post announcements for the whole school, year, or class. Show My Homework also allows the teachers to add attachments such as work sheets and helpful resources, so you have everything you need at your fingertips!

Logging in to Show my Homework:

As a parent, you will receive a login letter with a code that you will need to use to create your Show My Homework parent account. A parent code can be used to create more than one parental account. You can access Show My Homework via the internet, or you can download the app from either the Apple App Store or GooglePlay store, both are free.

How to log in

Once you have created your account using your parent code, you can access your account on any device using your email address and password.

On the website.	On a mobile device
1.Visit: https://www.showmyhomework.co.uk/login 2. Search for Charter Academy 3. Enter your email address and password 4. Click Log in	1. Search for Charter Academy 2.Tap "Login with email or username" 3. Enter your email address and password 4. Tap login

Forgotten your password?

You can quickly reset your password using your registered email address.

Simply click "Forgot password?" on the login page or on the App.

Once you have entered your email, a password reset email will be sent to you. Follow the Reset my password link to reset your password and regain access to your account.
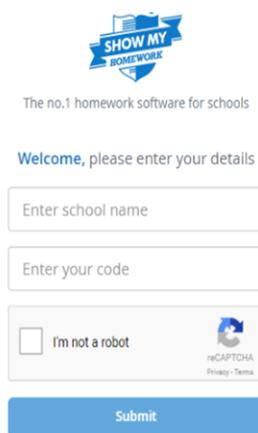

Top tip: If you do not see the password reset email in your inbox, you may want to check your junk or spam folder.

If you have any trouble logging in using these methods, please contact your school or satchel:one via the IT help email address: info@charteracademy.org.uk

Follow the instructions on the letter to create your account. The login screen will look like the examples below or you can click this link to find further guidance:
