

# Ark Charter Academy

6<sup>th</sup> July 2020

Dear Parents/Carers,

On Thursday July 2<sup>nd</sup>, the Government issued its guidance on how schools will operate when the new school year starts in September.

We are currently reviewing all the detailed information in the guidance and we will be in touch in August to share with you an update on our plans for the safe return to school for all students in September. The government have stated that they are releasing further guidance in August and so it would be premature for us to share plans with you before this.

It has been wonderful to have students from year 10 back in school, and we are really looking forward to seeing everyone when the new school year starts.

Until the end of this term on Wednesday 22<sup>nd</sup> July, school will continue to be open for students in year 10 and for children of key workers and vulnerable students. We will be holding 1:1 meetings with students in year 7-year 9 during next week, you will be contacted shortly with further details regarding this.

Please continue to encourage your children who have not yet returned to school with their home learning.

Thank you for your ongoing support.

Kind regards

Emily Morey  
Principal  
Ark Charter Academy

Fiona Chapman  
Executive Principal
