

Ark Charter Academy

April 2021

Dear Parent/Carer,

Covid restrictions are gradually being eased and so we are beginning to resume some of our after-school activities that we were unable to run at the start of the school year. Places are limited as we are still restricted to working in year bubbles, but we are excited to say that a few of these extra-curricular activities will be in operation after the Easter break. A timetable of events is below. Please complete the online form on this link

<https://forms.office.com/r/6GMuW7QN6z> or complete the reply slip with this letter to indicate which club your child will be attending as we will need to take a register of attendance.

Please note that in confirming your child can attend these extra-curricular clubs and any activities resulting from these clubs, you are consenting for them to be photographed and/or videoed. Any photographs/recordings taken may be used in school printed materials, on the school website, in the school newsletter and on social media, to celebrate success and achievement during our extracurricular activities. If you have any concerns regarding this or do not wish your child to be photographed/recorded during these events, please contact the school office.

Kind regards,

Jeneve Bailey
Assistant Principal
