

Ark Charter Academy

11th June 2021

Dear Parent/Guardian

It is with great pleasure that we would like to welcome you and your child to the Ark Charter Academy family. On accepting of the place at our school, we look forward to meeting and working with your child as well as yourselves. We are a school that is entering a period of rapid and exciting progress, with students, staff and families on board with our efforts to develop the young people in our community and the community around us. This is all personified by our new school vision:

“With God all things are possible” Matthew 19:26

All students will be confident and resilient young people, assured in their strength of courage, value of justice and necessity of respect.

We inspire and support our students so they can become the very best they can in every single way.

With love and care, we develop motivation both inside and outside the classroom, encouraging an appetite of learning in a safe and stimulating Christian environment. We want our students to become the leaders and game-changers of the future.

As the summer approaches you will receive lots of information regarding your child's journey to their first day at Ark Charter on Monday 6th September 2021. Prior to this date, they will have hopefully been able to attend a transition day with us on either the 5th or 6th of July 2021 (depending on the government guidelines to be released on June 21st 2021) and ordered their new uniform, both of which you will find more information on in your child's welcome pack that they have received.

Could we please ask that you spend time going through the transition pack with your child, making sure they read and understand as much as possible. Throughout the pack you will find information regarding uniform, staff, clubs, support for your child, timings of the school day and life at Ark Charter. If you have any further questions, please do not hesitate to contact myself on J.White@charteracademy.org.uk

During this half term a member of Ark Charter staff will call you to try and gather as much information as possible on your child, so we can give our staff everything they need to ensure your child has the best start to life at secondary school.

We look forward to welcoming you to Ark Charter.

Kind regards

Mr J White
