

Ark Charter Academy

11th June 2021

Dear Student of Ark Charter,

I am excited to be sending you your very own transition pack from Ark Charter Academy. You will find lots of useful information about what your time at school will look like, which staff to look out for, what uniform you will need, as well as information about many other areas in your new school community.

Can I please ask you to sit down with your family and read through all the information carefully. I am more than aware you will have lots of questions about secondary school and I am hoping I will be able to visit you in your current school to be able to answer these. However, if you do feel you have any questions you would like answered, please ask the adults at home to email me on J.White@charteracademy.org.uk and I will get back to you as soon as is physically possible.

In the meantime, why not go onto our school website at www.charteracademy.org.uk and click on the Life at Charter link to find the Year 6 to Year 7 transition page. Here you will find a video answering some of the questions you may have regarding your move into Year 7, as well as a virtual video tour of our school that you can watch to see different buildings and facilities, we have here at Ark Charter.

We are all eager to meet you when you join us in September.

Kind regards

Mr J White
Head of Year 7
