Dear parents/carers

Year 11 GCSE results day plan

We are writing to you to inform you of the processes of GCSE results collection this year.

GCSE results day this year is on Thursday 12th August 2021.

We have recently sent out a survey asking students to indicate whether they will be collecting results in person, via email or awaiting postal delivery – this is a reminder that if a parent / carer is collecting results on behalf of their child we require written consent from the student (please note that we reserve the right to request identification documentation of the parent / carer nominated as the individual collecting results on behalf of their child).

Students will be able to collect results in person between 9am and 11.30am on 12th August. We would ask that students stagger entry to avoid congestion. They should arrive at the main reception entrance, where they will be directed to the Hornpipe theatre.

The appeals process for the GCSE examinations this academic year is available on the schools website on the exams page (<https://charteracademy.org.uk/policies/exam-information>), please ensure that you (the student / parent / carer) have read through this documentation carefully).

If you have any questions, please do not hesitate to contact Mr Morgan on z.morgan@charteracademy.org.uk

Yours sincerely

Mrs F Chapman
Principal
